1. [REDACTED] LIAISON As a follow up to the Director's talk with the Congressional Women's Caucus on Thursday, 20 July, I called Betty Dooley, Executive Director, and asked her whether my impression was correct that there was nothing outstanding in the way of replies to questions posed by the Members to the Director, except for one item with Representative Yvonne Burke (D., Calif.). Ms. Dooley said she felt the briefing went very well, all the Members were pleased with the Director's appearance, and there was nothing she felt needed to be furnished. She suggested I contact Ms. Burke's office for an elaboration on her question.

2. [REDACTED] LIAISON I called and spoke with Ms. Sharon Howe, in Representative Yvonne Burke's (D., Calif.) office, concerning Ms. Burke's question on salaries of GS-18's and how it compared with those of Members of Congress. Ms. Howe said she would discuss this with Ms. Burke and get back to me on exactly what Ms. Burke wanted to know.

3. [REDACTED] LEGISLATION I spoke with Mr. Parker Stevens, Legislative Affairs at FBI, on the Senate and House Federal Tort Claims Act Amendments, S. 2117. I exchanged views and problems with Mr. Stevens offering the supposition that the bill might not survive this session because of both the short time remaining and Senator Howard Metzenbaum's (D., Ohio) recent "amendments" (new version). We will keep in touch. Both House and Senate Committees advise no action is scheduled.

4. [REDACTED] LIAISON Per her request, I sent the Agency publication entitled "A Dollar Cost Comparison of Soviet and US Defense Activities, 1967-77" to Kay Green, on the Senate Armed Services Committee staff.

Attached is a partial inventory of documents located at the John F. Kennedy Library. I have circled in red the documents originating at the CIA which the KI staff needs to see, either at the CIA or at the Kennedy Library.

At a future date it may be necessary to make a similar request in regard to material at the Lyndon Baines Johnson Library.
